The greatest task that any man could dare to undertake is the business of preaching the wonderful Word of God. The most awesome responsibility a man could ever choose to accept is the call to preach that same Word. The preacher dares to stand before men and proclaim God’s message to them. Any man who considers that a task to be treated lightly is not fit for the opportunity. It requires the most diligent preparation and demands the highest level of faithfulness.

Detroit Baptist Theological Seminary exists because of the “business” of preaching. Our aim is to glorify God by producing men who are dedicated to the task of diligently studying the Word and proclaiming its authoritative message to men and women in local churches. This is the heartbeat and lifeblood of our Seminary.

We are confident that, by God’s grace, we can fulfill this purpose because our curriculum is solidly based on the study of the original languages, theology, and the exegesis and exposition of the Word itself. We, without apology, place our emphasis on biblical and theological studies. Our lives and ministries must be grounded in our knowledge of the God who has called us to salvation.

We are also very aware that a seminary education is not an end unto itself. Seminary is for men who want to serve God in ministry. For this reason we place a high premium on practical preparation for ministry. We desire to develop men who recognize God’s call on their lives to provide leadership for local churches and direction for God’s people.
We have structured our curriculum to equip men for pastoral ministry in the context of the local church.

If God is burdening your heart to get involved in the “business” of preaching, then find a seminary that will prepare you for the diligent study of the Word of God and the exciting privilege of making disciples in the local church. I am glad I can recommend Detroit Baptist Theological Seminary as a school that does just that. I know—I am a graduate!

General Information
PURPOSE, PHILOSOPHY, AND DISTINCTIVES

Detroit Baptist Theological Seminary has been called into existence for the express purpose of preparing men for the New Testament Gospel ministry. The curriculum has been structured to fulfill this purpose, and the faculty is unreservedly committed to this goal. Graduates will have the necessary tools and content material to enable them to take leadership positions and to fulfill their calling adequately whether it be in the pastorate at home, establishing local churches on the mission field, or in Christian education.

The Seminary has many distinctives which justify its founding and continued existence. It is committed to the primacy of the New Testament church as God’s ordained instrument of witness and work in this age. It thus trains its students in the ideology and function of the local church. The School emphasizes expository preaching based on a study of the Scriptures in the original languages. This characterizes the ministry of its President, Dr. David M. Doran, at the Inter-City Baptist Church of Allen Park, Michigan, the parent organization of the Seminary.

The Seminary holds to a dispensational approach to the Bible and is unashamedly Baptist. We strongly affirm the sovereignty of God in salvation, but we are also deeply committed to the cause of evangelism and missions. The faculty together affirm young-earth creationism and the cessation of revelatory gifts for the present age, and are premillennial and pretribulational in their eschatology. The school remains faithful to the historic fundamentals of the Christian faith and extends warm fellowship to those who hold those same truths.

The educational philosophy of the Seminary stems from the authoritative, inerrant Word of God. Therefore, the learning process pivots around a professor-centered classroom situation and the direct presentation of truth. The School has earned a good reputation for its no-nonsense academics because the teachers are exacting in their scholastic demands on students; Bible truth dare not be handled in a smorgasbord, slovenly manner. There is a strong emphasis on learning the original biblical languages followed by exegesis and Bible exposition courses, all of which are coordinated in a coherent, unified network of systematic theology. This is accompanied all
the while by courses in expository preaching, church history, Baptist history, pastoral theology, and church administration. These academic demands and educational emphases will not be diminished in an effort simply to attract students or shorten the time of preparation. Students looking for an “easy” seminary do not knowingly apply to DBTS.

The scholastic side of seminary life is not at the expense of heart preparation for the ministry. A genuine desire to preach and a tender-hearted concern for the souls of men are fostered as best as is known how. A weekly ministry in a local church is required of all students. The practical, pastoral side of the Lord’s work is emphasized in the classroom as well as the academic. Not neglected is one’s personal relationship of obedience to God through the Scriptures. While rejecting various forms of pietism and mysticism, the Seminary nonetheless attempts to nurture the inner man and enhance the maturing process that any correct exposure to the Word of God will bring.

With such distinctives and philosophy the Seminary puts forth a product that will meet the need for well-trained and qualified workers in the Lord’s harvest field. Detroit Baptist Theological Seminary pledges uncompromising loyalty to the Scriptures and remains totally committed to the thorough equipping of men called of God into today’s and tomorrow’s ministry.

SEMINARY CREED

1. We believe that the one true God exists eternally in three persons, Father, Son and Holy Spirit, who are equal in essence, yet distinct in personality (Deut 6:4; Matt 28:19; 2 Cor 13:14).

2. We believe that the Bible is God’s inspired Word, without error as originally written, and the final authority for our faith and practice (2 Tim 3:16–17; John 17:17).

3. We believe that Jesus Christ is the eternal Son of God who added a fully human nature to his divine nature thus becoming the God–man, was born of a virgin, lived a sinless life, died on the cross as the substitute for sinners, paying the penalty of God’s wrath against sin, rose from the dead, and will come again to establish his kingdom (John 1:1, 14; Heb 4:15; 1 John 2:2; 4:10; 1 Thess 1:10; Rev 11:15).
4. We believe that God created man in His own image by a direct act on the sixth day of the creation week (Gen 1:26–31). We believe that man deliberately disobeyed the expressed will of God and therefore fell under God’s condemnation and the power of sin (Rom 5:12; 6:20). We believe that the resulting effect of sin on man touches his entire being, leaving him completely unable to earn God’s favor or contribute to his own salvation (Eph 2:1–10; Titus 3:5).

5. We believe that salvation is by grace alone through faith alone in Jesus Christ alone (Eph 2:8–9; Rom 3:21–25; 4:5). We believe that justification is by faith, apart from works, and results in a guilty sinner being declared righteous by God because the righteousness of Jesus Christ is credited to his account (Rom 4:4–5; 2 Cor 5:21; Gal 2:16).

6. We believe in a final resurrection of both the saved and lost, one to life eternal and the other to eternal condemnation (John 5:29; Rev 20:6, 13–15).

7. We believe that the local church is currently the center of God’s activity in this world, being composed of believers who have been immersed in water as a testimony of their faith in Jesus Christ, and being organized according to the principles of God’s Word in order to carry out the mission of Jesus Christ (1 Tim 3:15; Acts 2:41; Matt 28:18–20).

8. We believe that believers and churches must separate from those who deny essential doctrines of the faith (Jude 3; 2 John 9–11; Rom 16:17); that believers and churches must separate from those who compromise the faith by granting Christian recognition and fellowship to those who have denied essential doctrines of the faith (Rom 16:17; Phil 3:17–19; cf. 2 Thess 3:6–15); and that believers and churches must strive to reflect God’s holiness and to live differently than those who have not experienced the saving grace of Jesus Christ (1 Pet 1:15–16; Eph 4:17–19).

**HISTORY**

In February, 1949, the First Baptist Church of Melvindale called Dr. William R. Rice as Pastor. During the first six months, morning attendance averaged ninety. In July of 1950, ground was broken for a new auditorium in neighboring Allen Park and the name was changed to Inter-City Baptist Church. Additions followed in 1952 and 1956.
Continued growth during the next eight years necessitated a new and larger church building. On March 15, 1964, a new building was dedicated, followed by construction of a high school, a retirement facility, and a bookstore. From a small beginning, God has wonderfully provided the present excellent facilities, and led in multiple ministries.

A burden for sound Christian education with academic excellence led to the formation of Inter-City Baptist Elementary and High Schools. As the church grew, so did the burden for quality Christian education at every level. In 1974 a meeting of concerned pastors was called by Dr. Rice to discuss the desirability of opening a Baptist theological seminary in the Detroit area. There was common agreement that such a seminary should combine an emphasis on expository preaching and a practical local church ministry. After two years of careful consideration, a decision was made to open in the fall of 1976. The former church property (1950–1964) across the street, which had been sold, became available and was repurchased by the church.

The pressing need then became the acquisition of a competent faculty. Four qualified men who shared the same convictions concerning the preaching of the Word of God, the prominence of the local church and the necessity of a practical emphasis upon its ministry, were selected and hired by faith.

The Detroit Baptist Divinity School (the original name of the Seminary) opened its doors in September of 1976 with thirty students. At the beginning of the third year of study, formal application was made to the Michigan State Board of Education for the right to grant the M.Div. and Th.M. degrees. A committee of prominent educators came to the campus to evaluate the school’s credentials in October of 1979.

The resulting recommendation by this committee to the State Board was to give the school the authority to grant both graduate degrees. The recommendation was favorably received in March and the Detroit Baptist Theological Seminary (changing its name) held its first commencement exercises in May of 1980. God has truly honored the faith of so many by providing faculty, students, facilities and recognition in so short a time.

Upon Dr. Rice’s retirement in 1989, Inter-City Baptist Church called Dr. David M. Doran to become Pastor. Dr. Doran, an alumnus of the
Seminary, also became the head of the Seminary.

LOCATION

Detroit Baptist Theological Seminary is located in Allen Park, a residential suburb south of Detroit, within convenient driving distance of the outstanding attractions of the metropolitan area. Housing is readily available and the industry of the area provides ample employment opportunities for students. Only a few minutes from Canada, the city is close to Wayne State University, Dearborn Campus of the University of Michigan, and Eastern Michigan University at Ypsilanti, whose libraries are available to students. Located on Allen Road, between Southfield Road and Outer Drive, the Detroit Baptist Theological Seminary is easily accessible via Southfield Expressway, I-75, and I-94.

Detroit offers numerous attractions, from museums and zoos to all the major spectator sports. The Metropolitan Parks System provides year-round facilities for canoeing, swimming, fishing, ice-skating, skiing, and tobogganing.

There are many solid churches in the area where students may gain practical experience in Christian work. Such service is encouraged after an initial period of training.

CAMPUS AND FACILITIES

Detroit Baptist Theological Seminary was initially housed in temporary quarters provided by the Inter-City Baptist Church complex. In the late spring of 1979, the school moved into its own permanent facilities which had been uniquely designed to meet its expanding needs. On the first floor of the well-appointed block-long building is a spacious library along with the faculty offices. The second floor is primarily set apart for classroom space, but also provides a student lounge and chapel area. The adjacent parking lot accommodates up to 80 cars. The campus not only meets the present needs of the school adequately, but should continue to do so for years to come.
APPROVAL

Detroit Baptist Theological Seminary is approved by the Michigan Department of Education to grant the Master of Divinity and Master of Theology degrees, as well as the Three-Year Certificate. Credits earned at DBTS are commonly accepted at other postgraduate institutions, and students transferring from DBTS have been accepted at seminaries throughout the United States.

INTERNATIONAL STUDENTS

Detroit Baptist Theological Seminary is authorized under federal law to enroll nonimmigrant alien students. The Seminary is not able to provide scholarships for international students.

AFFILIATION

Detroit Baptist Theological Seminary is an independent graduate seminary, fundamental in its doctrine, separatistic in its ideology, and thoroughly biblical in its philosophy of education. The Seminary, a ministry of the Inter-City Baptist Church, is directly under its auspices, and has no direct affiliation with any other ecclesiastical organization. However, the Seminary actively endeavors to maintain a good relationship with those organizations and churches of like biblical faith and position, and welcomes to its student body qualified persons who are in sympathy with its position.

SUPPORT

During the formative stages, the primary financial support of the Detroit Baptist Theological Seminary was voluntarily assumed by Inter-City Baptist Church. Since that time many other churches have also added the school to their missionary budgets. Yet other concerned churches are encouraged prayerfully to consider sharing in this financial responsibility so that the Seminary may continue to expand its capacity to train servants of our Lord.

LIBRARY

The Seminary library has been carefully developed to reflect the purpose of the Seminary, which is to enable the student to achieve a thorough and
systematic knowledge of the Word of God. Thus, commentaries, theological
works, and biblical language tools are prominent in the library. These are
supplemented liberally with works on church history and practical theology.

The library is housed on the first floor of the Seminary building. Its main
reading room contains more than 50,000 cataloged materials that capably
cover all areas of the Seminary’s curriculum. The library subscribes to more
than 240 print periodicals and hundreds more via electronic access. Over
10,000 volumes of bound back issues are included in the periodical collec-
tion. Private carrels and open tables encircle the collection, providing ample
student study space. Adjacent to the main reading room are a computer
and microform reading lab.

The online catalog, together with a number of CD-ROM and online
databases, is available to students anywhere in the world. Interlibrary loan
makes the world’s library resources available to all patrons. Additional col-
lections at the nearby University of Michigan, Wayne State University, and
the Detroit Public Library are also conveniently accessible.

**SEMINARY JOURNAL**

In 1996 the Seminary began publishing the *Detroit Baptist Seminary Journal.*
*DBSJ* aims at presenting quality scholarly literature from a conservative
theological perspective. *DBSJ* is abstracted in *New Testament Abstracts,*
*Old Testament Abstracts,* and *Religious and Theological Abstracts.* *DBSJ*
is indexed in the *ATLA Religion Database* and the *Christian Periodical Index.*
Current students receive a free subscription.

**FACULTY**

A Seminary’s most important asset is its faculty, followed by its library.
Any school reflects the emphasis and ministry of its leadership. Emerson
said correctly, “An institution is the lengthened shadow of one man.” The
faculty at the Detroit Baptist Theological Seminary is united behind its
President, Dr. David M. Doran, and stands together because of its common
dedication to the philosophy and doctrinal position of the School. Each
faculty member is an expert in his field and is thoroughly professional in
his personal deportment and conduct of the classroom. There is a mutual respect and a willingness to defer to one another not found among many faculties today.

Detroit Baptist Theological Seminary allows on its faculty only men of scholarly expertise in their fields whose pursuit of classroom excellence is a continuing urge. Other interests, hobbies, goals, and pursuits are ancillary to the task of instruction. In accord with the stipulations of the Michigan State Board of Education, the Seminary employs only those with earned doctorates. For this reason, among others, the academic quality of a DBTS education is extremely high.

The Seminary faculty enjoys a good balance in the areas of training, teaching experience, classroom competence, practical wisdom, and pastoral ministry.

MASTER OF DIVINITY PROGRAM

Purpose
This three-year program provides professional graduate training for the Christian ministry. It is designed to give sound academic preparation without forfeiting genuine spiritual life. There is a careful balance between quality education and practical instruction under qualified supervision. A thorough training in theology and the biblical languages is central to this curriculum so that the minister might be an able expositor of God’s Word. Thus the program has been structured for men called of God to the gospel ministry in various capacities.

Admission Requirements
A student must possess a baccalaureate degree or its equivalent from a recognized college or university. In addition, all students must sign a statement each semester indicating they are in full agreement with the Seminary Creed.

Advanced Standing
A student who has completed a five-year undergraduate program (such as the Bachelor of Theology degree) from a reputable school may receive up to 30 hours of credit toward the M.Div. degree.

Graduation Requirements
(1) Course Work – The candidate must complete 96 semester hours of resident work. Throughout the three years of study a minimum grade point average of 2.00 must be maintained. Transfer students are required to complete at least forty-eight credit hours of work at DBTS in order to receive a degree from this institution.

(2) Senior Preaching – During the final semester of residence the candidate is required to deliver an expository sermon in chapel. The candidate must be a graduating senior and have had or be currently enrolled in Homiletics III. This is designed to enable the candidate to use his preaching abilities and for the faculty and students to see something of the product the Seminary is turning out in this area. The sermon will be under the supervision of the Homiletics Professor.
(3) **Character** – Successful completion of the above requirements, however, provides no guarantee that the candidate will graduate. It is also necessary that he evidence the personal, moral, and spiritual qualities befitting a minister of the Gospel, demonstrating to the administration and faculty the solid maturity of character and the personal abilities which are necessary for effective Christian leadership.

CERTIFICATE PROGRAM

Purpose
The certificate program has the same purpose as the Master of Divinity program. A limited number of students who have not completed their baccalaureate degree are admitted to the Master of Divinity curriculum. At graduation such a student will receive a Three-Year Certificate instead of a degree. Should the student go on to complete his baccalaureate degree, the certificate may be exchanged for the Master of Divinity degree.

Admission Requirements
A student must have completed one half or sixty semester hours of his undergraduate work from a recognized college or university. He will be required to demonstrate the ability to do seminary-level work. In addition, all students must sign a statement each semester indicating they are in full agreement with the Seminary Creed. The Seminary is not authorized to admit international students into the Certificate program.

Graduation Requirements
A student in the Three-Year Certificate program must satisfy the same graduation requirements as the Master of Divinity Program.
MASTER OF THEOLOGY PROGRAM

Purpose
This program is offered for those desiring advanced training beyond the Master of Divinity level. The program offers both a thesis and non-thesis track. The non-thesis track provides specialized biblical training for pastoral ministry. The thesis track is designed for those, such as teachers, whose calling requires advanced academic work and is especially recommended for those planning to do Ph.D. work.

Admission Requirements
The student entering this program must demonstrate superior ability and maturity and must have earned a Master of Divinity degree or its equivalent from a recognized seminary. A 3.0 grade point average (on a 4.0 scale) must have been achieved in Master of Divinity work. (A rare exception may be granted by the faculty in case of extremely mitigating circumstances.) Graduates of DBTS who apply for the Th.M. program should fill out a special application form. Those new to the Seminary must go through the normal application procedure. In addition, all students must sign a statement each semester indicating they are in full agreement with the Seminary Creed.

Postgraduate Seminars
Each student enrolled in the Master of Theology Program is required to take at least two postgraduate seminars (maximum of four) during the resident training. Within the field of study being considered for a given semester, the student is assigned a specific topic on which to do independent research and to report the results of his research to the class. Grades are determined by the faculty on the basis of the student’s reading, research, writing, classroom presentation, and response to and interaction with other class presentations and discussion. Seminars are offered one each semester on a rotating basis at the option of the Academic Dean.

741 Seminar in Old Testament Theology
742 Seminar in New Testament Theology
743 Seminar on the Intertestamental Period
744 Seminar on Old Testament Problem Texts
745 Seminar on Problems in Dispensationalism
746 Seminar in Contemporary Theology
Transfer Credits
Up to six semester hours of credit may be transferred from an acceptable postgraduate program elsewhere.

Graduation Requirements
(1) **Course Work** – The Th.M. thesis track consists of thirty-two semester hours of postgraduate work, including five hours for the thesis. The non-thesis track consists of thirty-three semester hours of postgraduate work. A major may be completed in the field of Old Testament, New Testament, or Theology. The Th.M. curriculum consists of a three-hour Greek language elective, a three-hour Hebrew language elective, a three-hour Theology elective, six hours of postgraduate seminars. The thesis track also includes twelve hours of general electives, and a thesis worth five credit hours. The non-thesis track includes eighteen hours of general electives. Students who have not taken their systematic theology at DBTS must take at least two of the three systematic courses at reduced credit (3 hours each).

(2) **Thesis** – The thesis Th.M. track requires submission of an acceptable thesis of approximately 70 to 100 pages in length. The thesis must be completed within two years from the finishing of all course work except by special permission of the faculty for legitimately extenuating circumstances. The thesis must demonstrate the student’s competence in critical thinking, in doing original research, and in expressing himself in proper literary style.
It must also show that he has an acceptable understanding of his subject and must be in basic agreement with the doctrinal position of the Seminary. The form and style of the thesis must conform to *A Manual for Writers of Term Papers, Theses, and Dissertations* by Kate L. Turabian and the Seminary’s own *Style Manual for Papers and Theses*. The Academic Dean will appoint two faculty members as a Th.M. committee for each student, one of which will be designated as the chairman and the other as an advisor and second reader of the thesis. The Academic Dean serves as an *ex officio* member of all such committees. A prospectus must be filed with the chairman of the student’s committee by November 1 of the school year in which the student expects to graduate. The first two chapters, typewritten in proper form, are due by January 5 and the first draft by March 15. The final draft must be completed by May 1, at which time the student will submit three clean copies. A total of five hours credit is given for the acceptable completion of the thesis.

(3) Grade Point Average – A student must achieve a minimum 3.00 grade point average on all course work and thesis in order to graduate.

Course Descriptions
NUMBERING OF COURSES

The first digit in the course number indicates the department in which the course is offered. Old Testament courses are designated by numbers in the 100s, New Testament courses are in the 200s, Theology courses are in the 300s, Historical Theology courses in the 400s, Pastoral Theology courses in the 500s, and numbers in the 700s are assigned to graduate level seminars.

The second digit in the course number of required courses indicates the year during his training—first, second, third, or fourth—in which a man would take the course when he is following the normal curriculum.

The third digit in the course number indicates the semester during which the course is offered: odd numbers are assigned to courses offered during the first semester; even numbers indicate courses offered during the second semester. The even/odd numbering of the third digit is followed only for required courses, not electives.

Courses taken for Th.M. credit are worth 3 hours each.
The goal of the Old Testament Department is to provide the student with the necessary tools for interpreting the Old Testament correctly. To accomplish this, four facets of Old Testament study are stressed. First, since the Old Testament was essentially written in Hebrew, a major emphasis is placed on Hebrew grammar. Second, instruction is given in the historical and cultural background of the Old Testament. Third, attention is given to enabling the student to acquire knowledge of the content of each book of the Old Testament. These facets equip the student to do precise exegesis, and they also provide impetus for the proper application of truth. Consequently, the fourth facet pertains to preparing the student to preach expositionally from the Old Testament.

As such, Systematic Theology is truly the “Queen of the Sciences.” It is developed by the correct exegesis of the Word of God itself. Copious reading from various old-line and contemporary theologians, lectures from an extensive syllabus prepared by the Professor, and a scholarly research paper are standard fare for a Systematic Theology course. Other theology courses have requirements suitable to their contents.

Admission
ADMISSION POLICY

The Detroit Baptist Theological Seminary admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admission policies, scholarship and loan programs, and athletic and other school-administered programs.

PROCEDURES AND REQUIREMENTS

Since it is the general purpose of this institution to prepare men for vocational Christian service, it is desired to have in the student body those who possess the personal characteristics and academic ability which will enable them to complete successfully their training here, and upon graduation, go forth to teach and preach the Word of God to His glory. The admissions process is designed to help both the student and the institution in discerning God’s will concerning training for the ministry. The following are required in the application procedure (for international students, there are additional requirements stated in the fifth numbered paragraph):

1. Application form – The prospective student must submit a completed application form, which includes specific questions concerning his Christian experience and personal qualifications. The application should be sent as soon as possible because processing usually takes a few weeks at best. The application can be found in the back of this catalog. Each prospective student must sign a statement on the application form indicating they are in full agreement with the Seminary Creed.

2. Personal Testimony – The prospective student must submit a biographical sketch. A form has been provided for this in the back of this catalog.

3. Church letter – The prospective student must submit a letter of recommendation from his church stating that he is a member in good standing and is endorsed by them. The church must be one whose own doctrinal position is in agreement with the Seminary Creed.

4. Transcript of college work – A transcript of all college and graduate work is required. If a student is still in college, a transcript of his work up to
that time is sufficient; a complete transcript, indicating his degree, can be sent when he completes his college work, before entering this institution. Transcript request forms have been provided in the back of this catalog.

(4) References – The application form provides space for each applicant to list names and addresses of those who are able to act as references for him. Reference forms are provided in the back of this catalog. The student should give these forms to the individuals listed as references on the admission application.

(5) International Students — If the prospective student is not an American citizen, he must comply with the following additional requirements:

(a) International students must be authorized by their national church or sending organization endorsing their educational goals and confirming their objective to return to their nation to fulfill the Great Commission upon the completion of their work at DBTS.

(b) The United States Department of Immigration requires each international student to provide official certification demonstrating that he has the necessary resources for his program of study as well as for any dependents. Applicants unable to certify adequate resources may secure an official statement from an individual or organization willing to serve as their guarantor for the necessary funding of their educational expenses, living expenses, insurance needs, transportation needs, and expenses to, from, and within the United States, as well as the expenses for fully providing for any dependents. This documentation must be provided to the Registrar of DBTS. The Seminary is unable to issue an I-20 (Certificate of Eligibility) until an adequate financial certificate guaranteeing these funds has been received, and all application forms, transcripts, and other pertinent material have been received and officially approved.

(c) An I-20 student visa is required for entry into the United States and must be submitted by the international student at the port of entry into the United States.
(d) International students must demonstrate an ability to use the English language for seminary-level, graduate work. If the student’s native language is not English, he must take the TOEFL exam (Test of English as a Foreign Language). Information about the TOEFL exam may be obtained from http://www.ets.org/studint.html, or by writing to TOEFL, P.O. Box 6151, Princeton, NJ 08541–6151. The TOEFL institution code for DBTS is 8470. If this code is correctly entered, the TOEFL administrators will send DBTS the student’s exam score five weeks after the exam has been taken. The test results must be received at DBTS no less than two months prior to the beginning of the semester he plans to enter and must have been taken not greater than two years prior to his application to DBTS. For the Master of Divinity program, the student should earn a score of 213 or above if the TOEFL exam is computer-based, 79 or above for the internet-based program, or 550 or above for the standard written exam. For the Master of Theology program, he should earn a score of 230 or above if the exam is computer-based, 88 or above for the internet-based program, or 570 or above for the standard written exam.

(e) International students admitted into the United States on a student visa are required to be full-time students. In addition, they are not permitted to work off campus without official authorization from the Immigration and Naturalization Services of the United States Department of Justice.

When the prospective student’s application and credentials have been reviewed, he will be notified promptly of the decision.

RECOMMENDATIONS REGARDING COLLEGE WORK

It is normally required that the student entering Detroit Baptist Theological Seminary have a baccalaureate degree or its equivalent from a recognized college. In planning his college program, the prospective student should seek to choose solid content courses which would provide a broad foundation for his graduate work in preparation to minister the Word of God effectively.
CLASSIFICATION OF STUDENTS

There are three classifications of students:

1. **Regular Students** – Regular students have met all admission requirements and are pursuing a standard degree. Thus, these are all the students who are enrolled in the Master of Divinity and the Master of Theology programs.

2. **Certificate Students** – Certificate students are those who have had at least two full years of college training (60 semester hours) but do not have a baccalaureate degree or its equivalent. They pursue the same program as regular Master of Divinity students. Upon graduation they receive a Three-Year Certificate rather than a degree. If a certificate student later earns his college degree (without using Seminary credits to obtain it), he may exchange his certificate for the graduate degree. The number of certificate students is necessarily limited to 10% of the overall enrollment.

3. **Audit Students** – An audit student is one who is not academically qualified to be accepted into the other programs or one who wishes simply to take courses without fulfilling all of the academic rigors normally required. No credit is granted for such work. The following guidelines apply to audit work:

   1. Audit tuition is one half of the regular tuition.
   2. Wives of regular or certificate students may audit free of charge.
   3. The normal fees for credit work apply equally to audit work.
   4. Auditors must have an acceptable attendance record as defined elsewhere in the catalog. No written work (term papers, tests, etc.) is required.
   5. An “audit” notation will be placed on the student’s transcript upon successful completion of the work.
   6. No class can be switched from credit to audit after the eighth week of classes except by special action of the faculty.

Student Scholarships

Merit-Based Scholarships
Detroit Baptist Theological Seminary exists to honor God by partnering with local churches to provide a traditional seminary education that equips men for Great Commission ministry. As a ministry of Inter-City Baptist Church, our specific burden is to recruit and train men who share our theological and ministerial commitments. The purpose of these scholarships is to highlight four particular concentrations in order to attract men who are looking to serve the Lord in these areas.

• **Urban Ministry** — The Urban Ministry Scholarship is designed for men who are committed to pursuing ministry in an urban area of the United States.

• **Church Planting/Missions** — The Church Planting-Missions Scholarship is designed for men who are committed to pursue ministry as a church planter in the US or as a missionary on the foreign field.

• **Preaching/Leadership** — The Preaching/Leadership Scholarship is designed for men who have excelled in these areas during their college education and are pursuing pastoral ministry.

• **Academic Excellence** — The Academic Excellence Scholarship is designed for men that have excelled academically in the undergraduate training and are looking to pursue advanced theological training en route to a ministry of teaching and scholarship.

These scholarships are aimed at attracting students who have a combination of ministry burden and gifts that fit the Seminary’s commitment to Great Commission ministry. These scholarships will be given to a limited number of applicants who meet the qualifications for each category. They are available only for new students and are intended to last the duration of a student’s degree program. Scholarships cover up to 50% of tuition for students taking 10 or more credit hours each semester and who maintain a good standing in the seminary. The application deadline for the fall semester is June 1; and for the spring semester it is October 1. Applications and forms may only be submitted online at www.dbts.edu/scholarships.
Need-Based Scholarship
The Rolland D. McCune Alumni Scholarship is awarded by the DBTS Alumni Association. It is presented to qualified men upon the recommendation of an active DBTS alumnus. Among all qualified candidates the primary factor in determining award recipients is financial need. The number of recipients each semester is based upon the level of funding available. A student may be recommended and receive the scholarship again in successive semesters. A student need not be a member of Inter-City Baptist Church. For additional information, consult the Seminary website, http://dbts.edu/scholarships, or contact the Seminary office.

Church-Based Scholarships
The William R. Rice Scholarship is awarded by Inter-City Baptist Church. It is presented to a young man who embodies the scholarly commitment and pastoral heart of Dr. William R. Rice, the seminary’s founder. Dr. Rice also served as the senior pastor of Inter-City Baptist Church for forty years (1949-1989). The Rice Scholarship is a one-year award covering the full cost of tuition. It is awarded to a student who is a member of Inter-City Baptist Church.

The Adoniram Judson Missions Scholarship is awarded by Inter-City Baptist Church. It is presented to a young man who embodies the scholarly commitment and a heart for missions like the pioneer Baptist missionary for whom the scholarship is named. The Judson Scholarship is a one-year award providing $500 per semester toward the cost of tuition. It is awarded to a student who is a member of Inter-City Baptist Church.

Changes in registration (dropping or adding a course) may be made in accordance with the announced deadlines for this purpose. Withdrawal from a course without penalty is permissible up through the eighth week of the semester, but only after consultation with the professor of the course and with the permission of the Academic Dean and Registrar. A “W” will be entered on the student’s transcript for such a withdrawal. A withdrawal after the eighth week will result in an “F”
entered on the student’s transcript. A student cannot switch from credit to audit after the eighth week of classes.

**VETERANS’ BENEFITS**

Detroit Baptist Theological Seminary is recognized by the Michigan State Approving Agency for the training of Veterans. For all students receiving VA benefits the following refund policy applies: If a student fails to enter or withdraws, or is discontinued therefrom at any time prior to completion, the refund of advanced payments will be a pro-rata portion of the charges for tuition and other charges that the length of the completed portion of the course bears to its total length.

**CLASS SIZE**

Classes where there are fewer than three students enrolled may be cancelled at the discretion of the Seminary.

**CLASS PERIODS**

Class periods are fifty minutes long. Normally a student needs to spend two hours of study outside of class for each hour in class. Under the block system of scheduling used by the Seminary, two-hour courses meet once a week for two hours back-to-back for 15 weeks. Four-hour courses meet twice a week in two-hour blocks.

**CLASS ATTENDANCE**

**Absenteism from Class**

During a semester, a student is allowed one week of unexcused absences for a given course. Anyone who exceeds the allowable number of unexcused absences shall be liable to a reduction in his course grade of 2% for each class session missed.

An excused absence is one that is beyond the student’s control. In order to have his absence excused, the student must submit to the course instructor a written explanation for his absence. Based upon this the instructor will determine whether or not the absence should be excused.
The maximum number of excused absences for a given course is three weeks. This means that the maximum number of absences for a given course for any reason is four weeks. Any student who is absent more than four weeks will receive an “F” for that course, except by vote of the faculty in extenuating circumstances.

Tardiness to Class
Three tardies will be counted as one absence. Tardiness beyond twenty minutes is counted as an absence.

CHAPEL ATTENDANCE

Absenteeism from Chapel
(1) Absences: Every student is required to attend chapel whenever he has a class immediately before or immediately after chapel, or whenever he is in the Seminary building during chapel. The student is allowed to miss chapel only on days when he has no regular classes. Generally, excuses for required chapel attendance are governed by the same criteria as excuses from classes. Nevertheless, the student must submit a written excuse for each chapel absence to the Student Life Director.

(2) Notification of Absences: The Student Life Director will notify every student, in writing, whenever unexcused chapel absences have been noted. Unexcused chapel absences will become a part of the student’s permanent record. Careless attendance at chapel may bring dismissal from the Seminary.

Tardiness to Chapel
Three tardies will be counted as one absence. When a student is tardy and wishes to be excused, he should notify, in writing, the Student Life Director.

COMMENCEMENT ATTENDANCE

A graduating student must attend Commencement to receive his diploma. No one is graduated in absentia.

LATE WORK

All class requirements (e.g., examinations, projects, term papers) must be completed at the time scheduled by the instructor. When a student does
not complete the work at the appointed time, one of two options are open to the professor: (1) He may disapprove the late work and enter the grade as “F” or (2) He may consider the student’s excuse allowable (illness, etc.) and approve a later date for the work to be submitted.

Incomplete work for which an extension has been given beyond the end of the semester will result in a grade of “I” being given for the course until the work is completed. All incomplete work must be completed within one month after the last day of final examinations (for summer school, the first Tuesday in September), at which time the appropriate course grade will be assigned. Any additional extension will only be granted in the most extraordinary circumstances by approval of the faculty—in which case the student must appeal to the Academic Dean.

ACADEMIC PROBATION

If a student’s cumulative grade point average in the Master of Divinity program falls below 2.0 (3.0 in the Master of Theology program) at the conclusion of a semester, he will be placed on academic probation for the next semester. The student will be given counseling in an attempt to aid him in lightening his academic load, if advisable; in developing better self-discipline; in practicing more effective study habits; in exercising stronger motivation; and in solving any personal difficulties which may be contributing to his underachievement. No student on academic probation will be allowed to hold an office in his class or in the Student Body Association until his probationary status is removed.

If, after two consecutive semesters of academic probation, the student’s cumulative grade point average in the Master of Divinity program is still below 2.0 (3.0 in the Master of Theology program), he will be placed on academic suspension and will not be allowed to take classes for one semester. The Veterans Administration will be informed if a student receiving VA benefits is placed on academic suspension. Such a student cannot be certified for VA benefits.

If, at the end of the suspension period, the student desires to reenter, he must make a formal request to the Admissions Committee through the Registrar’s Office, particularly stating why he wishes to reenter and specifically how he plans to avoid his former difficulties which resulted in his academic
suspension. The Academic Dean, Registrar, or other appointed faculty member may counsel with the student prior to his acceptance. His petition is then voted upon by the Admissions Committee, and, if approved, he may reenter on probation. The student in the Master of Divinity program must raise his cumulative grade point average to 2.0 or above (3.0 or above in the Master of Theology program) within two semesters of his readmission or he will be permanently suspended.

STUDENT RECORDS AND REPORT CARDS

Each student has in the Registrar’s Office a permanent transcript recording in order the courses he has attempted each semester and the grade achieved in each course. Photocopies are available to the student upon request. These are unofficial when issued to the student himself and will be so stamped. All copies of transcripts are $5 each except the first one which is given free of charge. In addition, a list of the current semester grades will be given to each student from the Registrar’s Office.

REPEATING CLASSES

A student who receives a grade of D in a class may elect to repeat that class in order to raise his grade. Both the original D and the new grade will be figured into the student’s grade point average. Students may not repeat to raise their grade in classes where they have received a grade of C or higher.

STUDENT ADVISORS

One of the advantages of a small school is the ready availability of all members of the faculty to each student and the personal interest that each faculty member can sustain in relation to each man under his ministry. Even in the busy schedule of academic activities, there is opportunity for prayer, counsel, and fellowship among the faculty and students.

Beyond this, however, some matters require official attention: matters of specific academic concern should be referred either to the Registrar or to the Academic Dean; matters other than academic should be referred to the Student Life Director.
PRACTICAL CHRISTIAN SERVICE

It is the firm conviction of those at the Detroit Baptist Theological Seminary that if one is to be a good minister of the Word of God he needs not only academic and spiritual preparation, he also needs practical experience in implementing the skills and knowledge which he is learning in the classroom. In keeping with this conviction, students training here are expected to be actively involved each week in the ministry of a local Baptist church. Periodic reports will be submitted to the Student Life Director so that the student may receive personalized assistance in his Christian service. Students are encouraged to become involved in the varied and practical ministry of the Inter-City Baptist Church, unless already committed in membership to another local church.

Upon graduation, placement assistance is available through the administration of the Seminary.

STANDARDS OF CONDUCT

Because of the biblical demands of discipleship and the great responsibility of example which is placed on Christian leaders, it is expected that students at Detroit Baptist Theological Seminary will maintain the highest of standards in personal conduct. We believe that those who aspire to the ministry of the Word must seek to live above reproach (1 Tim 3:1) and should “cleanse [themselves] from all defilement of flesh and spirit, perfecting holiness in the fear of God” (2 Cor 7:1). The Seminary expects that students will carefully follow Paul’s admonition to Timothy, “Let no one look down on your youthfulness, but rather in speech, conduct, love, faith and purity, show yourself an example of those who believe” (1 Tim 4:12). DBTS students should maintain a personal testimony that evidences maturing spiritual discernment (Heb 5:14) and concern for the consciences and spiritual well-being of other believers (Rom 14:19-21). In keeping with these biblical values, the Seminary requires students to maintain the following standards of conduct:

- Each student is expected to be a faithful, committed member of a local church.
- Seminary standards for dress and appearance should be carefully honored.
- Students must abstain from sexual immorality, consumption of alcoholic
beverages, and the use of illegal drugs and tobacco.

- Students should maintain very high standards and exercise godly discipline with regard to their reading, viewing, and listening habits.

- Students must avoid all forms of dishonesty, including lying, plagiarism, and cheating on exams and assignments. All financial obligations should be met in a timely manner.

- The family relationships and responsibilities of students should be cared for diligently, and the biblical teaching regarding marriage and family should be carefully obeyed.

**Detroit Baptist Seminary reserves the right to discipline or dismiss any student who does not abide by these standards of conduct.**
Extracurricular Opportunities
CHAPEL

Chapel attendance is required for all students on days they are present for class. Prayer and thoughtful planning go into making these services a blessing to each member of the student body as well as to the faculty. Chapel, as one of the few experiences which the Seminary family shares together on a regular basis, encourages mutual fellowship. Students are edified both spiritually and practically as they are exposed to sound biblical preaching from men experienced in the ministry of the Word.

DAY OF PRAYER

During the fall semester classes are dismissed for a day as the Seminary family gathers together for a special time of prayer. For men who are daily expending themselves physically, mentally, and spiritually in preparation for God’s service, the Day of Prayer comes as a much-needed time of refreshment. Personal burdens, as well as other requests, are shared and brought before the mighty God who “is able to do exceeding abundantly above all that we ask or think.” A scriptural challenge on prayer and worship is also presented during Day of Prayer chapel.

RICE LECTURE SERIES

During the spring semester each year, DBTS holds the William R. Rice Lecture Series. This event is named in honor of the Seminary’s founder, Dr. William R. Rice. Dr. Rice also served as the pastor of Inter-City Baptist Church from 1949 to 1989. The Seminary schedules guest speakers who are theologically conservative, with expert academic credentials. The lectures are intended to challenge the student body on various topics of a strategic nature for the adequate preparation and effective exercise of the gospel ministry.

MID-AMERICA CONFERENCE ON PREACHING

The Mid-America Conference on Preaching has been held annually since 1991. Each year hundreds of ministers and students from around the country come together for two days of challenging instruction and uplifting fellowship. The MACP is planned by Detroit Baptist Theological Seminary.
and held at Inter-City Baptist Church in Allen Park, Michigan. The MACP provides seminary students with challenging instruction on vital topics, exposure to excellent role models for preaching and teaching ministry, and helpful networking opportunities with ministry leaders. DBTS students are required to attend the MACP in accordance with their regular class schedule. However, they are encouraged to make the necessary adjustments to work or ministry responsibilities so they can attend the entire conference. Recent conference themes include: “Learning From the Past, Pressing Toward the Future” (2007); “Culture, Contextualization, and the Church” (2008); “Gospel-Driven Separation” (2009); “Church, Kingdom, Mission” (2010); and “Church Planting & Renewal” (2011).

**STUDENT GOVERNMENT**

Officers elected by the student body work under the supervision of the President to aid the administration in the planning of certain extracurricular student affairs. Such activities, as well as helping to unify the student body and encourage Christian fellowship among student and faculty families and alumni, also provide opportunity for development of leadership ability in the men who are training for the service of the Lord. Dues are collected each semester at registration for use by the student government.

**SEMINARY WIVES INSTITUTE**

Detroit Baptist Theological Seminary recognizes that while young men are in seminary training for ministry, the wives of these students also benefit greatly from training and preparation. DBTS has developed opportunities for the training of the students’ wives that complements their husbands’ preparation in seminary.

Seminary Wives’ Institute (SWI) is a two-year program committed to helping the wives of seminary students grow in their biblical role to be a “helper suitable.” SWI meets ten Monday evenings per semester, and is designed for older, mature, Christian women to encourage, challenge, and instruct the younger women “to love their husbands, to love their children, to be sensible, pure, workers at home, kind, being subject to their own husbands, that the Word of God will not be dishonored” (Titus 2:2-3).
Each SWI session consists of (1) an opening testimony by a DBTS faculty wife, (2) a formal time of instruction on topics such as Devotion to the Word, Contentment, Organizing the Home, Time Management, Church Event Planning, and Counseling, (3) a table discussion time with an older, mature, Christian woman giving tips and encouragement, and (4) a prayer time together.

SWI strives to equip each wife with habits, insights, and resources to aid in her personal walk with God and her future roles in ministry. SWI also creates an avenue to establish lifelong friendships, invaluable during the seminary years and into the future.

In addition to the SWI program are two annual events much anticipated and enjoyed by the seminary wives. Both the Christmas Ornament Exchange in December and the Spring Salad Buffet in April are wonderful times of fellowship hosted by one of the faculty wives.

**INTER-CITY BAPTIST BIBLE INSTITUTE**

The faculty members of the Seminary teach in the Inter-City Baptist Bible Institute, which meets on Monday evenings in the church building. Classes are available at an extremely modest cost. Seminary men who have not had a Bible background sometimes sit in on these classes in order better to acclimate themselves to biblical matters. Seminary wives regularly take courses for credit or audit as time and interest permit.
Statement of Faith

— The Scriptures —

We believe in the verbal, plenary inspiration of the Bible, the sixty-six books of the Old and New Testament canon, which, being inerrant in the original manuscripts, is the final authority on all matters of faith and practice and any other subject on which it touches. We believe in a dispensational understanding of the Bible, an approach to Scripture based on the progressive unfolding of the divine mysteries or new revelation from God which results in various dispensations or distinguishable administrations/stewardships of God’s revealed truth, such as Promise, Law, Grace, Kingdom, among others. This approach recognizes a fundamental distinction between Israel and the Church in origin, purposes, and destiny.

— The Godhead —

We believe there is only one true God, eternally existing in three uncreated Persons, God the Father, God the Son, and God the Holy Spirit. These three are of one and the same essence though distinct in personality, equal in every divine perfection and attribute, and function in perfect harmony to accomplish the manifold works of God.

We believe that Jesus Christ of Nazareth is the eternal Son of God, that He is both God and man, the two natures being inseparably united in one glorious Person through the incarnation. We believe in the eternal deity and personality of the Holy Spirit¹ whose ministry it is to convict of sin,² bear witness to Jesus Christ,³ and baptize the repentant, believing sinner into the Body of Christ.⁴ At the new birth the Spirit imparts spiritual life (regeneration),⁵ permanently indwells the believer,⁶ and becomes the seal of divine ownership and earnest that guarantees the final salvation of the believer.⁷ We believe in the filling of the Holy Spirit—the controlling of the believer by the Spirit in proportion to his yieldedness and obedience to God and the Word⁸—that is evidenced by the fruit of the Spirit in the life.⁹

— Creation —

We believe in the original direct creation of the universe, a voluntary act of God whereby for his own glory and according to His eternal counsel,
in six successive days of twenty-four hours each, He gave existence to all things in distinction from Himself. We oppose all forms of the evolutionary hypothesis of origins, whether theistic or atheistic.

— The Fall of Man —

We believe that man was created directly by God on Day Six of the creation week,¹ in His image² (a finite, creaturely replication of the infinite Creator), and in a state of sinlessness or innocence, righteousness, and holiness.³ We believe that originally man freely chose to transgress the expressed will of God⁴ and thereby mankind incurred sin,⁵ condemnation,⁶ and physical and spiritual death,⁷ so that man is a sinner by nature and by choice,⁸ and is totally depraved, destitute of any moral good, and utterly unable to merit God’s favor or contribute to his salvation.⁹

We believe in the salvation of sinners through Jesus of Nazareth, the Son of God, who is the only Savior of men¹ by virtue of His shed blood,² i.e., His substitutionary death for sinners.³ We believe that salvation is completely dependent on the grace of God,⁴ is a free gift of God⁵ that man cannot earn or merit in any way,⁶ is applied by the work of the Holy Spirit using the instrumentality of the Word of God,⁷ and is appropriated by repentance⁸ and

— Sanctification —

We believe that the sanctification of the believer means to be separated from sin and set apart unto God, and has three aspects. First, there is positional sanctification by which the believer is given a perfect standing before God, i.e., the status of a saint.\(^1\) Second, there is experiential or present sanctification by which the believer is cleansed of the daily defilement of sin and is progressively brought into conformity to the image of Christ.\(^2\) After the new birth the believer still has a sinful nature (unsubdued tendencies to evil and a complex of sinful attributes) which is in constant and life-long
conflict with the spiritual nature (a set of righteous attributes and propensities to and desires for holiness which came with the new spiritual life and the indwelling of the Holy Spirit). While the believer’s addiction to sin is gone, the presence of sin and its tendencies are not. Present sanctification is the progressive elimination of sin in the believer’s life and a gradual conformity to Christ by the power of the Holy Spirit through the means of the Word of God and prayer, faith, obedience, self denial, and an active resistance against sin and Satan. Third, there is final sanctification when the believer will be fully conformed to the image of Christ and sin will be eliminated forever from his experience.

— Spiritual Gifts —

We believe that a spiritual gift is an ability or a capacity to serve the Lord through an aspect of the life of the local church. While God is sovereign in the bestowment of all His spiritual gifts, every believer has a function to serve in the church and has been gifted by God accordingly. Gifts were given for the common good of the church, the edification of the church, the service work or ministry of the church, and the attestation or accreditation of God’s messengers and their new revelation for the church age. We believe that certain gifts prevalent in the church in the first century were miraculous in nature, such as speaking in tongues, interpretation of tongues, prophecy, and the working of miracles. They were foundational and transitional, having served the church in its infancy and immature stage. These gifts have ceased, being no longer needed because the nation of Israel has dissolved, the Scriptures have been given, the church has been launched and divinely certified, the transition from Law to Grace has been made, and the apostles
We believe in the reality of Satan as a distinct personality, who, though having been created in a state of perfection and enjoying a heavenly abode with God, was prompted by pride to rebel against God and fell from his original exalted state, leading a multitude of other angels in his revolt, over whom he is king. Satan is the acknowledged god of his world and the archenemy of God and believers, whose purpose and work are to thwart the divine counsels, accuse and oppose believers, incite persecution against believers, sow counterfeits among the believers, tempt believers to sin, among others. Satan will be cast down to earth during the Tribulation Period, bound in the abyss during the Millennium, loosed after the Millennium for a little season to provoke the final rebellion of mankind against God, and finally consigned forever to the lake of fire as the execution of his sentence of judgment at Calvary.

We believe that the Church as set forth in the New Testament has both a universal and a local aspect. The church as the Body of Christ, of which Christ is the Head, is an organism composed of genuine believers in Jesus Christ, the total number of Spirit baptized believers of this age regardless of location or circumstances. We believe that a local church is the visible expression of the body of Christ in a particular time and place, being an organized body of immersed believers, sharing a common faith or body of truth, observing the ordinances of baptism and communion, meeting at regular and stated times for worship, preaching and teaching, fellowship, and prayer, carrying out the Great Commission, and whose biblical offices are pastor and deacon. We believe that the local church is an autonomous body solely responsible to preserve its internal unity, maintain pure doctrine and practice, elect its own officers, leaders, and messengers, settle its own internal affairs, and determine the extent of its cooperation with other churches. We believe that the institution of the local church is God’s ordained instrument for His work and witness in this age.

ARTICLE 13
— The Second Coming —

We believe in the literal return of Jesus Christ that will take place in two stages. The first stage is the Rapture, or His personal,\(^1\) imminent,\(^2\) and pretribulational\(^3\) coming for all saints of the church age.\(^4\) The second stage is the Revelation or the Second Coming in Glory, which is His personal and public coming at the close of the Tribulation Period to establish the messianic, Millennial Kingdom on the earth\(^5\) when Israel will be restored to covenant favor with God\(^6\) and to her land in faith\(^7\) and the Church will reign with Christ for the thousand years.\(^8\) After the Millennium there will be a new heaven and earth wherein God will dwell eternally with His people.\(^9\)

ARTICLE 14
— The Resurrection —

We believe in the bodily resurrection of the just and the unjust, though occurring at separate intervals.\(^1\) The souls of those who trust in Christ go immediately into His presence at death\(^2\) where they remain in a state of conscious bliss until the resurrection of the just, at which time they will receive their glorified bodies,\(^3\) and thereafter spend eternity serving the Lord in unending fellowship and love.\(^4\) The souls of unbelievers go immediately into a state of conscious torment and punishment at death,\(^5\) where they remain until the resurrection of the unjust, when they will be cast into the
lake of fire to endure eternal suffering as a just retribution for their sin. The resurrection of the just begins at the Rapture of the Church and is completed at the conclusion of the Tribulation Period. The resurrection of the unjust is after the Millennium.

ARTICLE 15
— Separation —

We believe in both personal and ecclesiastical separation. The doctrine of separation is grounded in the character of God Himself. Holiness carries the basic idea of separation or apartness. God is holy in that He is separate or apart from all that is created and finite and from all that is sinful or morally unclean, and He demands that His people be holy or separated. God constituted the nation of Israel a holy or separated people who were to be separated from the customs and practices of the surrounding heathen. God commands His people today to be personally separated from the world, the transient system of evil led by Satan, organized against God and His will, that has its own philosophies, goals, life styles, amusements, habits, and practices. Ecclesiastical separation is the refusal to collaborate with a church, ecclesiastical organization, or religious leader which does not hold to the fundamental, cardinal doctrines of the Christian faith, and a like refusal concerning those who maintain connections or are content to walk with those who do not hold to the fundamental, cardinal doctrines of the Christian faith.
