Conference Recordings

All Workshop Sessions and all General Sessions (except the message at the Banquet on Friday evening) are being recorded again this year. However, this year the sessions will be recorded and distributed in CD format. The cost for the entire conference is only \$25.00, and that includes a text copy and an audio recording of each session. The CD format will allow for use on a computer, but not in a stereo CD player. Please stop by the Information Desk to place your order. The CD's should be ready at the conclusion of the conference on Friday night. Orders will be filled in the order they were placed (paid for).

Bookstore

As a special feature of the conference our church bookstore has set up a booktable area in the Atrium on the main floor (south side, near restrooms). You will find many of the titles recommended by our conference speakers. There are also many titles marked down for special discounts. Payment is accepted by cash, check or major credit card.

Promotional Displays

Special displays have been set up in the Atrium (north side, near nurseries) to inform you about strategic outreach ministries of Inter-City Baptist Church. You will also find additional information in the advertising section of your conference notebook. Please stop by to see the displays for ...
